From this valley they say you are going.
We will miss your bright eyes and sweet smile,
For they say you are taking the sunshine
That's brightened our pathway awhile.

Come and sit by my side if you love me
Do not hasten to bid me adieu,
But remember the Red River Valley
And the cowboys that love you so true.

In tribute, from Garden Grove High School Staff and Students—the Argos who love you so true . . .

CLARENCE "TINY" SHERWOOD

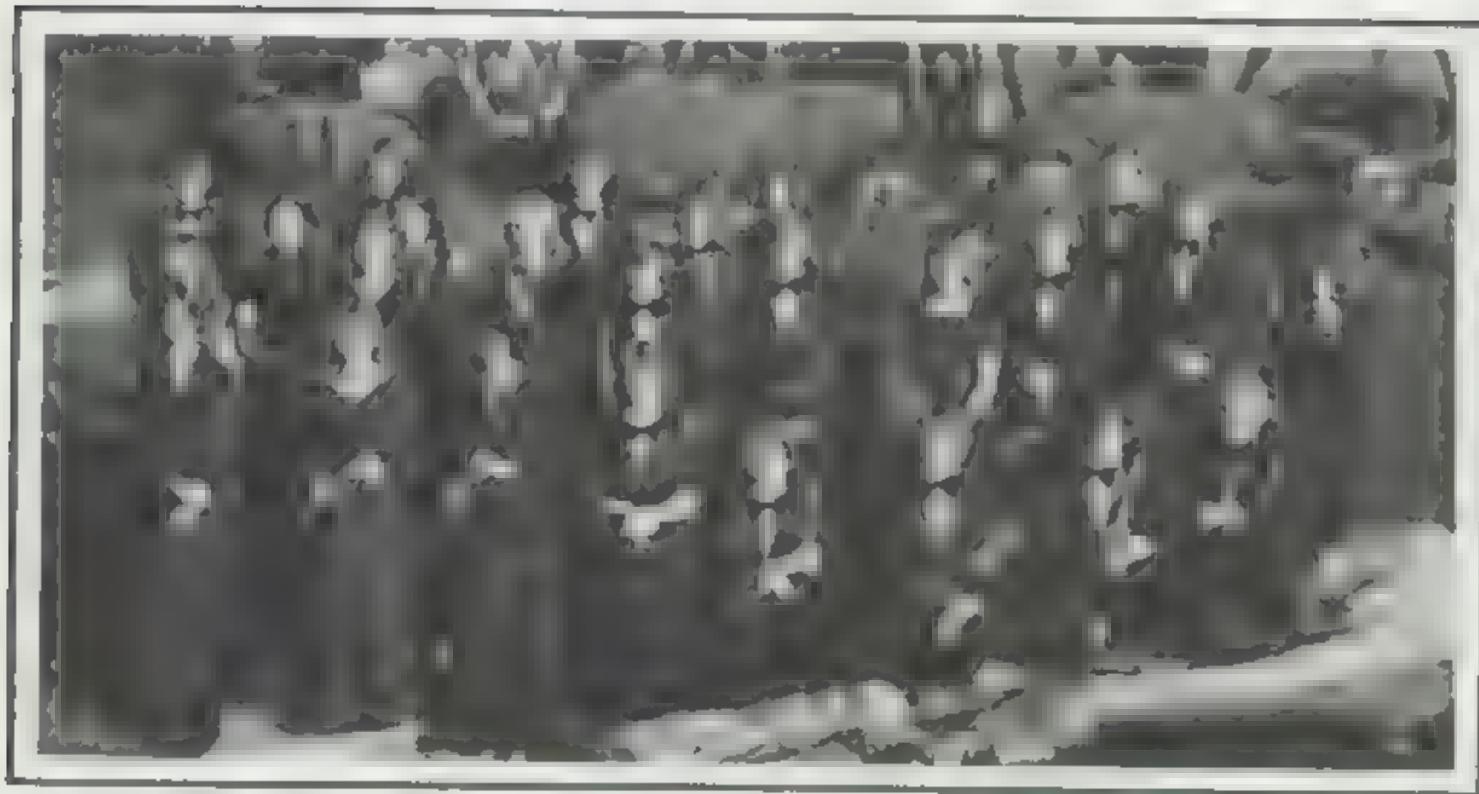

I'm a roving cowboy far away from home,
Far from the prairie where I used to roam,
Where the doggies wander, and the wind blows free,
Oh, my heart is yonder on the lone prairie.
